|---|---|--|--|
| Play Sundog online. To improve your mental maths strategies. | Insects have 6 legs. Draw a picture of a ladybird . Can you give it 6 legs? Can you give it 6 spots too? | Draw a picture of a sunny day . Can you include 1 sun, 2 clouds, 3 flowers and 4 trees. | Squares and rectangles are shapes with 4 sides. Can you draw a picture of a robot using 4 squares and 4 rectangles? |
| Survey your family about their favourite fruits, colours or games. Can you show the information in a graph? | Triangles are 3 sided shapes. With an adults help, cut out some triangles and see what pictures you can make. | Carefully, draw around your hand on a piece of paper. Point to each finger you have drawn to count them. Can you count your fingers? How many fingers do you have on each hand? | Can you find any coins ? 1p or £1 coin? Can you do some coin rubbings using paper and pencils or crayons? Can you see the numbers on the coins? |
| Draw a picture of a teddy bear. Draw 2 circles, one for the head and one for the body. Draw 2 eyes, 2 arms, 2 legs and 2 furry ears. | Butterflies have 4 wings - 2 on each side. Draw or paint a picture of a butterfly. Can you use 4 different colours to decorate it? | Ask a grown-up to help you look at a calendar or diary. Can you count the days of the week? How many are there? Can you write a list of the different days or months? | Explore your home and find as many things that use numbers as you can. Can you draw them? e.g. Remote, clock, etc. |
